SANTENAY LES CHARMES

The vineyard is located at the extreme south-east of the village of Santenay. During the vinification, it ferments at low temperature for a long period, until five weeks. Thus we obtain a rich wine, fruity and well-balanced, easy to drink young and able to age very well.

Characteristics

Grape variety: Exclusively 35 years old Pinot Noir vines

Surface area: 1,15 ha

Terroir: Clay-limestone soil

Working method: Vines sown with grass- leaves thinned out

Maturing: 1 year in French oak barrels

Production: 6000 bottles/year

Dress: Purple color, intense and brilliant

Nose: Persistent, fragrances of blackcurrant and cherry

Mouth: Smooth and silky tannins. Wine fat and light in the same time. Very gourmand

To be served with cheese, roast poultry or red meat
