## Santenay Beauregard Premier Cru white

The Santenay Beauregard wine is one of the most famous Premiers Cru from Santenay. It is located in the East of Santenay, at 500 metres from the terroirs of Chassagne Montrachet. This area is called “Beauregard” (nice view) simply because from there there’s a very beautiful panoramic view. Facing the South-East, this terroir is ideal to produce Chardonnay wines

### Characteristics

Grape variety: Exclusively 25 years old Chardonnay vines

Surface area: 0,60 ha

Terroir: Stony clay-limestone soil

Working method: Vines sown with grass- leaves thinned out

Maturing: 8 month in French oak barrels

Production: 2000 bottles/year

Dress: Brilliant, gold with green hints

Nose: Elegant fragrances of citrus, white blossom and toasted bread

Mouth: Fleshy, lively, with an elegant final of exotic fruits blended with vanilla aromas

To be served with scallops, sea fish, trout with almonds or goat cheese
