## SANTENAY BLANC COMME-DESSUS

The white Santenay from our Domain is made in the “lieu-dit” “Les Commes-Dessus”, next to Santenay Beauregard and Santenay Commes, in the East of Santenay, at 500 meters from Chassagne Montrachet. Facing the South-East, the area is ideal to produce Chardonnay wines.

### Characteristics

Grape variety: Exclusively 25 years old Chardonnay vines

Surface area: 0,60 ha

Terroir: Stony clay-limestone soil

Working method: Vines sown with grass- leaves thinned out

Maturing: 8 month in French oak barrels

Production: 2000 bottles/year

Dress: Pale gold with lemon flashes

Nose: Honey bouquet with hints of toasted bread and exotic fruits

Mouth: Very round with a light touch of vanilla. Perfectly well-balanced thanks to the typical fatness of the Santenay wines and a light acidity
